

James Smith Bio

Australian born, New York based, former Banking and Finance Lawyer, James was first introduced to US comedy audiences when he was invited to perform at the prestigious Montreal 'Just For Laughs' Festival. Since then, he has appeared on numerous TV shows on Comedy Central, ABC, TBS and HBO's Flight Of The Conchords, to name a few. He has an upcoming appearance on Conan later this year. James has been featured in Time Magazine and recently gave a TED talk. He has also had the pleasure of performing at the New York Comedy Festival and the legendary Radio City Music Hall. When at home in NY, he performs nightly at the world famous Comedy Cellar, where he shares the stage with such greats as Chris Rock, Louis CK, and Jerry Seinfeld.
